Method of Collection

Two units of Artificial Tears (without tamper evident seal), each containing 15 mL bottle of Artificial Tears eye drop, were collected from the three cases of Artificial Tears available at the site, which contained comingled lots of products. Some units were observed packaged in sealed bags of 2 or 4 units each, some were plastic wrapped as pack of (b) (4) while other units were found as single units with no additional packaging.

How Prepared

A stick-on label was affixed to the sample and identified as noted in 'Collector's Identification on Package and/or Label' field. The sample was placed in a double brown paper bag, taped closed with clear plastic tape and officially sealed with FDA 415a as in the 'Collector's ID on Seal' field. The paper bag was identified as "1146587 02/02/2023 mc" in black ink. The officially sealed bag was brought back to the White Plains R.P. by CSO Chou on 02/02/2023 and locked in the cabinet for storage until preparation for shipment.

On 02/06/2023, the sample was removed from the locked cabinet by CSO Chou and placed the sample in a clear plastic bag with FDA 525, then placed in a brown, cardboard box with Sample # 1146588, # 1146589, # 1214088, # 1214089 packaged with brown papers as cushion. The box was taped shut with clear plastic tape. The samples were dropped off at The (b) (4) located at (b) (4) by CSO Chou.

Operations Manager. (b) (6) stated Delsam Pharma's products were hand delivered by Delsam to the warehouse and there was no receipt or packing slip. He stated (b) (4) does not have ownership of the product, and everything was imported by Delsam. He also added that they have additional inventory at another warehouse (b) (4) away; however, an appointment is needed to access that warehouse. CSO Chou requested (b) (6) to provide a copy of the current inventory, but (b) (6) said he is not able to gather that information quickly. (b) (6) agreed to email the information to CSO Chou.
