

Message from HHS about an ongoing active cybersecurity threat to your IT resources

Centers for Medicare & Medicaid Services <cmslists@subscriptions.cms.hhs.gov>

Fri 12/1/2023 1:24 PM

To: Tin, Alex <TinA@cbsnews.com>

External Email

In response to active exploitation of a cybersecurity vulnerability, the Department of Health and Human Services' Health Sector Cybersecurity Coordination Center has released the attached notice strongly encouraging organizations to upgrade their devices and prevent further damage to the health sector. Please make sure the attached message is seen and acted upon by the appropriate members of your organization, such as the IT department. We encourage those with networks to distribute this message to your networks.
